Many of the urban views are the first realistic representations of those cities, showing the most important cities of Pomerania before their devastation in the Thirty Years' War. At top center is the family tree of the House of Griffin with one hundred and fifty-seven first names and portraits of the dukes, and to the left of the island of Rügen is the family tree of the nineteen representatives of the Rügen dynasty. At the bottom right are five portraits of the dukes who lived in 1617, including the Philip II himself, as well as Philip Julius, Ulrich, Franz, and Bogislaw XIV. The map shows towns and villages, landmarks, churches, forest, rivers and mountains."; 2 supplements provide description and thumbnail image of missing plate #6	Lübben	Eilhard	1618	`	2335	`	Pommerscher Verein Freistadt c/o Elaine Kraft	shelf 12/12/20
